IN THE LOOP

November 06, 2020

PROJECT MILESTONES

11/19/2020 – Furniture Move in

11/20/2020 – Owner Move in

Elks Building Project

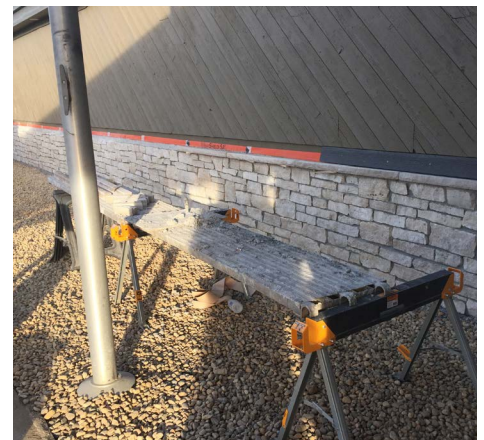

Interior- Painting completed this week. Ceiling grid install ongoing with the east half of the building padded out with lights and diffusers installed. Carpet and VCT install starting next week. Exterior- Stone wainscot installed this week along with window trim on the south face of the building. Existing wood siding reinstated and painted. Sod and landscape rock completed this week. Parking lot paving and striping complete.

Fun Fact: 25,000 sq. ft was cut and removed out of the old parking lot. That would be equivalent to **596 King size beds.**

Contractor Spotlight: Albert Lea Electric

Albert Lea Electric was founded in 1919. Albert Lea Electric employs over 30 people. The company is owned by Cal Johnson who became a partner in 1993 and eventually bought the entire company. Albert Lea Electric Co. has been turning greater Minnesota and Iowa on since 1919, providing industrial, commercial, agricultural and residential electrical services to businesses and homes. From large-scale industrial projects to expanding businesses and residential customers, their team provides a high degree of satisfaction and a diverse range of skill sets to compliment any job site.
