

PROJECT MILESTONES

- 9/18/2020 – Exterior Building Finishes
- 10/26/2020 – Flooring
- 11/09/2020 - Casework

Elks Building Project

Underground plumbing started this week. All existing fiberglass insulation and sheetrock have been removed from the now open return plenum ceiling. Wall framing has resumed this week.

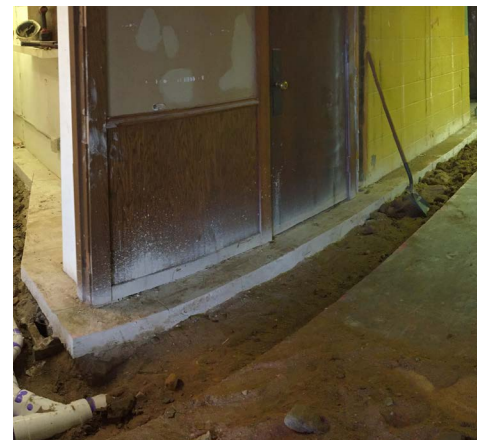

Fun Fact: There will be 680 Linear Feet of mechanical piping installed on the project, this would be the same length as 34 crew cab pickup trucks.

Photo Description:

- Top - Full ceiling and open space that is ready for framing
- Middle - Ceiling after fiberglass insulation was removed
- Bottom - Underground Plumbing

Subcontractor Spotlight: Jim and Dude's

Founded in 1972, Jim and Dude's has set the standard for excellent service and quality work in the plumbing, heating, and cooling industry. Original founders Jim Bergstrom and "Dude" Van Ryswyk built the company on values that hold strong to this day. Known throughout Albert Lea and the surrounding communities for their excellent customer service, 2nd generation owner Dennis Bergstrom and partner Rick Hanson continue to ensure their team of 35 plus team of professionals stay consistent to the original company values throughout every aspect of their 24 hours a day business. As a long-term Albert Lea business, Jim and Dude's is pleased to have the opportunity to work on the former Elks Building.
